

What do you think?

- * What is team teaching?
- * How many have team taught before?
- * What are the pros and cons?

The Start of TT

- Many say it was first used in predecessor to JET Programme
- Became more widespread in with JET
- Now many subjects are taught through team teaching.

Common Forms

- * Lead teacher / back-up teacher
- * Equal Shares
- * Division of labor

Steps for Prep!

- Communication is KEY!
- Relationships take work.
- Got time? They might not...
- Offer yourself!
- Ask ahead.
- Post class wrap up.

Caution!

- * You are the assistant (in most cases)
 - Understand what is expected
- * Human tape recorder isn't *always* a bad thing
- * Never undermine your teacher.
